HEAR TALK

Cochlear Implants (CIs): What you need to know and are you a candidate?

Please join us in November as we talk to professionals from Lethbridge-Layton-Mackay Rehabilitation Centre about Cochlear Implants. As most of you know from the Fall 2018 HearHear Magazine, Hampstead's Mayor Steinberg worked tirelessly to have CI surgery available in Montreal. Thanks to him and the many people who supported him, CI surgery will be performed in Montreal in the future. Come to this workshop to learn what a CI is and whether it may be for you.

Date: November TBC

Speaker: Liliane Brunetti

Real Estate: Suzanne Huet

Join Suzanne Huet for a workshop on real estate. Suzanne is a supporter of Hear Québec, and would like to inform our members about the topic in an accessible workshop.

Date: October 31st, 2019

Place: 7000 Sherbrooke West

Time: 10 am - 12 pm

Room: TBC
