**Hear Québec's Top 10 Tips
for Creating an Accessible
Community for People with
Hearing Loss!**

GIVINGTUESDAY™

Together We Learn

Top ten things people with hearing loss want you to know

1. Get our attention before speaking to us
2. Do not speak to us from another room
3. Do not walk or turn away from us while speaking
4. Do not cover your mouth with your hands while speaking
5. Use a mask with a transparent window when speaking to us in public
6. Speak to us in a quiet environment with limited background noise
7. Speak slowly and clearly
8. Do not shout
9. Rephrase rather than repeat
10. Be patient and supportive when we are having difficulty understanding
