

Registration is mandatory for all programs, events, and services. Please register prior to your activity and not on the day that it starts. Indicate your interest on the registration forms and complete the process with your payment. As space is limited due to COVID protocols, only members who complete the registration and payment will have their seat reserved. Spots will be reserved on a first-come, first-served basis. Register early to secure your place!

Accessibility: All programs, events, and activities will be accessible for those with hearing loss. This can include sound amplification, FM systems, or Live Transcribe. If there is a virtual event, Hear Québec will use accessible platforms such as Google Meet which allows live closed captioning. If you feel that you need further accommodations, please let us know and we will do our best to accommodate your needs.

Information on our programs can be found in the Fall 2021 HEARHEAR magazine on pages 10-13
