

# The Bonnycastle Scholarship and Bursary Fund

The Bonnycastle Scholarship and Bursary Fund was established by Hear Québec to honour Dale Bonnycastle, one of the founding members of the organization. Dale continues to be an active volunteer at the organization and sits on the board of directors as vice-president.

As a retired audiologist, Dale knows very well that untreated hearing loss can cause more than just an inability to hear; untreated, hearing loss can have severe social and emotional consequences including depression, isolation, and loneliness.

The Bonnycastle Scholarship and Bursary Fund will assist a person with hearing loss (hard of hearing, oral deaf or late-deafened) with the acquisition of an assistive device or service that will enhance accessibility in their environment. The assistive device or service may be required for a number of reasons: to enhance communication, to enable the pursuit of studies, to integrate into social/educational or other activities, and for increased safety.
